Santa Hat Walk to School Day

FRIDAY DECEMBER 21

Our December Walk to School Event is Santa Hat Walk to School. The first 100 Evergreen Elementary School students arriving at the corner of Classico and Cortona will receive a Santa hat to wear as they walk to school. Please meet Mr. Sweeney at our usual corner and walk with us.

The parking lot and the drive through will be closed in the morning for the safety of our walkers. If you choose not to have your student participate, please remember to park in the neighborhood and do not drop them off in the street.

The Evergreen Student Council and some of the donations that our students and community have shared with other families in our community. Its going to be exciting to find out what has happened. We had so many students involved in so many excellent and inspiring projects. As soon as we have the information we'll publish it in a future newsletter. In the meantime, thanks so much to all who participated.

Old Crayon & Marker Recycling

The markers can be any brand and do not need to be working. Crayons can be broken and mangled. There are boxes for both in the office.
